Governmental Ethics Commission

Opinion No. 2003-20

Written July 18, 2003, to Thomas R. Powell, Hinkle Elkouri LLC, Wichita.

This opinion is in response to your letter of July 3, 2003, in which you request an opinion from the Kansas Governmental Ethics Commission concerning the local conflict of interest law (K.S.A. 75-4301 *et seq.*). We note at the outset that the Commission's jurisdiction concerning your question is limited to the application of K.S.A. 75-4301 *et seq.* Thus, whether some other statutory system, common law theory or agency rule or regulation applies to your inquiry is not covered by this opinion.

Factual Statement:

We understand that you are requesting this opinion in your position as the attorney for the Unified School District No. 259 (the District) and for Amy Garcia. You have explained that Ms. Garcia holds a 30% interest in Performance Assessment Center (PAC) which conducts physical assessment testing to employees and potential employees of the District. The District's physical assessment testing program administrator is the Human Resource Assistant Superintendent.

Ms. Garcia was hired by the District on May 12, 2003, as the Benefits/Risk Manager. In this capacity, she will from time to time provide the Assistant Superintendent with recommendations as to which District positions should be subject to physical assessment testing and she will provide statistical information regarding the physical assessment testing program. Ms. Garcia has filed a statement of substantial interests form detailing her interest in PAC.

Question:

May an individual who has an ownership interest in a business that is currently under contract with the District, act as Benefits/Risk Manager for the District?

Opinion:

In her capacity as Benefits/Risk Manager for the District, Ms. Garcia is governed by the local level conflict of interest laws found in K.S.A. 75-4301 *et seq.* K.S.A. 75-4304 states in pertinent part:

- (a) No local governmental officer or employee shall, in the capacity of such an officer or employee, make or participate in the making of a contract with any person or business *by* which the officer or employee is employed or in whose business the officer or employee has a substantial interest.
- . . .
- (c) A local governmental officer or employee does not make or participate in the making of a contract if the officer or employee abstains from any action in regard to the contract.
 - (d) This section shall not apply to the following:
- (1) Contracts let after competitive bidding has been advertised for by published notice; and
- (2) contracts for property or services for which the price or rate is fixed by law.

Pursuant to K.S.A. 75-4301a(a)(1) Ms. Garcia has a substantial interest in PAC, and, therefore, would be prohib-

ited from participating, in her capacity as a District employee, in the making of non-competitively bid contracts with PAC. Absent her participation in the making of such a contract with PAC, nothing in the local level conflict of interest laws would prohibit her from owning this business and being a District employee.

Opinion No. 2003-21

Written July 17, 2003, to Cliff Kirk, Newton Social and Rehabilitation Services, Newton.

This opinion is in response to your letter of July 1, 2003, in which you request an opinion from the Kansas Governmental Ethics Commission concerning the state level conflict of interest laws (K.S.A. 46-215 *et seq.*). We note at the outset that the Commission's jurisdiction is limited to the application of K.S.A. 46-215 *et seq.*, and whether some other statutory system, common law theory or agency rule or regulation applies to your inquiry is not covered by this opinion.

Factual Statement:

We understand that you are asking for this opinion as an economic and employment support supervisor with the Newton office of the Kansas Department of Social and Rehabilitation Services (SRS). You have explained that you and seven other SRS employees were trained by the National Center for Fathering to provide seminars on effective fathering techniques. SRS sent you to this training so you could provide training for fathers in the Temporary Assistance to Needy Families (TANF) program.

The Harvey County Partnership/Communities in Schools (HCP) has been awarded a grant to reduce child abuse and neglect. The HCP has approached you about conducting seminars in conjunction with this grant. These seminars would be open to everyone in Harvey County, and, although some TANF fathers might attend, it would not be geared toward SRS clients. You would be paid for your preparation time and mileage as well as an hourly fee. In addition, you would perform these seminars on your personal time and not in conjunction with your duties at SRS. You have informed a member of our staff that it is not a part of your state duties to provide seminars for the HCP.

Question:

May an economic and employment support supervisor with the Newton office of SRS conduct effective fathering seminars in his spare time?

Opinion:

Two statutes apply to the question you have raised: K.S.A. 46-235, which governs restrictions on compensation of state employees; and K.S.A. 46-241, which involves the use of confidential information. Each of these statutes will be addressed in turn.

K.S.A. 46-235 states in pertinent part:

No state officer or employee shall accept compensation for performance of official duties, other than that to which such person is entitled for such performance. . . . The receipt of wages or salary from an individual's non-state employer during a period of service as a state officer or employee shall not be construed as compensation for performance of official duties.

Pursuant to this statute, so long as it is not part of your current state duties to perform the services you propose to perform in your part-time employment, K.S.A. 46-235 would not prohibit you from accepting compensation for performing these services.

Because it is not a part of your state duties to provide seminars for the HCP, you would not be prohibited from performing seminars for the HCP.

Finally, K.S.A. 46-241 states:

No state officer or employee shall disclose or use confidential information acquired in the course of his or her official duties in order to further his or her own economic interest or those of any other person.

This section is self-explanatory. Confidential information obtained during your official duties with the State may not be used for your financial gain or the financial gain of another.

Opinion No. 2003-22

Written July 17, 2003, to Denise L. Everhart, Commissioner, Kansas Juvenile Justice Authority, Topeka.

This opinion is in response to your letter of July 8, 2003, in which you request an opinion from the Kansas Governmental Ethics Commission concerning the state level conflict of interest laws (K.S.A. 46-215 *et seq.*). We note at the outset that the Commission's jurisdiction is limited to the application of K.S.A. 46-215 *et seq.*, and whether some other statutory system, common law theory or agency rule or regulation applies to your inquiry is not covered by this opinion.

Factual Statement:

We understand that you are asking for this opinion as Commissioner of the Kansas Juvenile Justice Authority (JJA). You have explained that you have been asked to serve on the adult advisory board (Board) of the new Shawnee County Youth Court program (Youth Court). As a member of the Board, your primary role will be to promote the program, offer advice to the student participants, and perhaps do some mentoring. At the present time, the Youth Court receives no funding through JJA. You have indicated that if such funding were to be sought in the future, you would remove yourself from the process

Question:

May the Commissioner of the Kansas Juvenile Justice Authority serve on the adult advisory board of the new Shawnee County Youth Court program?

Opinion:

We have reviewed the state level conflict of interest laws found in K.S.A. 46-215 *et seq.* and because you will not have a substantial interest in the Youth Court pursuant to K.S.A. 46-229, nothing in those laws prohibits you from serving on the adult advisory board for the Shawnee County Youth Court program.

These costs shall include mortgage interest, taxes, depreciation, insurance, and maintenance costs. The lease cost shall not be allowable if it exceeds the ownership costs before the sale-leaseback transaction. State of Kansas

Board of Emergency Medical Services

Notice of Hearing on Proposed Administrative Regulations

The Kansas Board of Emergency Medical Services will conduct a public hearing at 2 p.m. Tuesday, September 30, in Room 106 of the Landon State Office Building, 900 S.W. Jackson, Topeka, concerning proposed changes to Kansas Administrative Regulations (K.A.R.) 109-5-4 and 109-7-1.

This 60-day notice period constitutes a public comment period for the purpose of receiving written public comments on the proposed regulation changes. To request a copy of the proposed regulations and the detailed economic impact statement, or to submit written comments concerning the proposed regulation changes, contact David Lake, Administrator, Kansas Board of Emergency Medical Services, Suite 1031, Landon State Office Building, 900 S.W. Jackson, Topeka, 66612, (785) 296-7296.

Summary of Substance of the Proposed Regulations and Economic Impact

In the event an attendant, instructor-coordinator or training officer does not submit their application for certification renewal by December 31 of the year in which their certification expires, they will have an additional 31 days to pay a higher fee and obtain their certification renewal. Additionally, if the individual allows their certification to lapse, the fee to regain that certification through continuing education is a higher fee than in the past.

The economic impact of these proposed regulations changes is anticipated to have a favorable impact on those individuals bearing the costs, other governmental agencies or units, consumers and private citizens. The positive impact is created by avoiding loss of staff to the local EMS agency, loss of emergency medical coverage for the community, loss of work time of the individual, and avoiding additional costs of obtaining additional continuing education to regain the lapsed certification.

It is anticipated that there will be a slight increase in revenue to the board. This is anticipated to be approximately \$4,900, but could be as high as \$14,700, annually, depending on whether the individual takes advantage of the 31-day period.

These proposed regulation changes are not mandated by federal law nor is the Kansas Board of Emergency Medical Services in any federally-subsidized or assisted programs relating to these proposed regulation changes.
